LB 783A. (See page 1524 of the Legislative Journal.)

And a unanimous consent request from Senator Pirsch to add her name to LB 186. That's all that I have.

SPEAKER BAACK: Thank you, Mr. Clerk. Before we proceed to voting on the motion to adjourn, I would announce that we are...tomorrow we do plan on working right through the noon hour. I plan on doing that tomorrow and not recessing for lunch, that we can get a few things done before the weekend. So I do plan on doing that. Next week's agenda we only have three days next week. I would like to, on Wednesday of next week, I do not plan on adjourning at the noon hour...I mean, I do plan on recessing and coming back that afternoon. Since we're only working three days next week, I hope we can get in three good days of work next week. So, with that, you've heard the motion to adjourn. All those in favor say aye. Opposed no. We are adjourned.
